Factory Brief Introduction

Semiconductor Factory

Year of establish	1996
Workers/QC	400~430/25 QC
Square Meter	12,000M²
Certifications	ISO 9001 2008, RoHS, Reach
Monthly Capacity	250KKpcs
Sales Amount 2013	25 Millions USD

Tantalum Capacitor Factory

Year of establish	2000
Workers/QC	300~350/20 QC
Square Meter	8,000M²
Certifications	ISO 9001 2008, ISO 14001 2004, GJB90018-2009 Military Approval
Monthly Capacity	120KKpcs capacitor
Sales Amount 2013	18 Millions USD

Why do you buy from us?

Supply military parts & industrial parts, high quality commitment

ISO 9001: 2008 & ISO14001: 2004 certified; GJB90018-2009 Military Qualification; RoHS & Reach Compliant, Halogen Free, Metal Conflict Free

Detailed cross reference, Professional & Experienced Sales Staff, Fast Response to customer inquiries

Take Responsibility of any quality issue, at least 18 months warranty

Regular stock available, fast delivery

Competitive Prices, alternatives to big MFGs like AVX, Vishay, Diotec, Epcos.... provide cost-saving solution for customers

Very good channel from DHL & Mainland to HK Transportation, help customer save delivering cost

Products – Tantalum Capacitors

CA42 Dipped Tantalum Capacitor

CA45 Chip Tantalum Capacitor

CA45U Low ESR Chip Tantalum Capacitor

***Military Quality Control: GJB90018-2009.**

***RoHS, Reach, Metal Conflict Free certification**

***Stable Price & Fast Delivery & Regular Stocks**

***Radial Tantalum Capacitors very competitive prices**

***Replacement of AVX TAP, TAJ, TPS series, Nemco TB Series...Vishay, Kemet series**

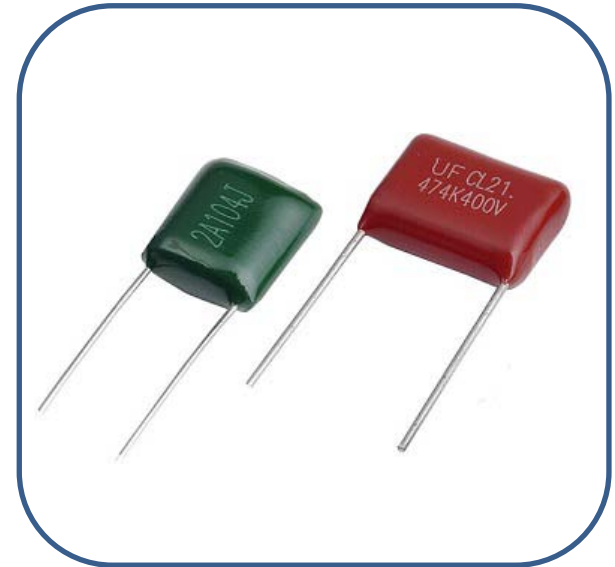

Products – Plastic Film Capacitors

CL11 Mylar Polyester Film Capacitor

CL21 Metalized Polyester Capacitor

CBB21 Metallized Polypropylene Cap.

CBB81 High Voltage Met Polypropylene Cap.

***ISO 9001: 2008, ISO 14001: 2004 Certified Factory**

***RoHS, 2011/65/EU, Reach 155 SVHC, Halogen free cert. on website**

***Mass Production achieves J +/-5% tolerance for all above**

***90KKpcs monthly capacity for polyester capacitors,**

*** Ammo Taped Package is available**

*** Competitive Prices**

Products – Ceramic Capacitors, Leaded Varistors

CT4/CT42 Axial/Radial Multilayer Ceramic Capacitor

CT81 High Voltage Ceramic Capacitors

VAR Series Metal Oxide Varistors (MOVs)

***ISO 9001: 2008, ISO 14001: 2004 Certified Factory**

***RoHS 2011/65/EU, Reach 155 SVHC, Halogen Free Cert.**

***Varistors with CQC, UL, VDE safety approvals**

***3-4 weeks fast delivery**

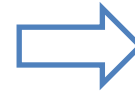

***Very Stable & High Quality**

*** Very Competitive Prices for Leaded Varistors & Radial/Axial MLCC**

Products – SMD Electrolytic Capacitors

TCS 85C V-Chip Aluminum Electrolytic Cap

TCK 105C V-Chip Aluminum Electrolytic Cap

***ISO 9001: 2008, ISO 14001: 2004, IECQ-HSPM Certified Factory**

***RoHS 2011/65/EU, Reach 155 SVHC, Halogen Free Cert. on website**

***4-5 weeks fast delivery**

***Very Stable & High Quality**

*** Very Competitive Prices**
